

Declarations

Ethics approval: Not applicable. The review used public bibliographic metadata and open-access text only; no individual participant data were accessed.

Consent to participate: Not applicable.

Consent for publication: Not applicable.

Funding: No external funding was received for this work.

Conflicts of interest: The author declares no competing interests.

Data availability: The credibility-ranking and translational-readiness tables, the figures, and the scripts that generated them are openly available at the project repository: <https://github.com/hssling/deai-ecological-validation-india>. Additional records identified in the search are listed in Supplementary Table S1. Raw full-text cache files (PMC and PubMed XML) are not redistributed owing to publisher licence constraints; they can be regenerated by running the documented retrieval workflow.

Acknowledgements: None declared.

Author contributions: Dr Siddalingaiah H S conceived and designed the study, curated the data, performed the formal analysis and evidence synthesis, drafted and revised the manuscript, and acts as guarantor.

Use of AI/software: Automated scripts were used for literature-metadata retrieval, screening support, extraction support, evidence scoring, and figure generation. The author verified all scientific claims before submission and takes full responsibility for the content.
